THE MILLENNIUM RESORT SHORE VILLAS SCOTTSDALE, ARIZONA

The Millennium Resort is the ideal headquarters for golfers traveling to Scottsdale, especially for Jenahura groups of four or more. We have selected the Millennium Villas which offer superb value, in a stunning lakefront location, with as much as 2195 sq ft of living space. The Resort itself is situated in the heart of Scottsdale with views to Camelback Mountain to the West and Camelback Lake to the East.

These large villas are available as one or two storey. There are a number of single storey units directly on the lakefront, and the two storey units are available with two or three bedrooms. In the three bedroom units, you'll find 1 King bed and 4 singles, whilst the two bedroom units have 1 King and 2 single beds. There are pull-out sofas as well in many of the Villas.

These spacious condominium accommodations provide all the necessary items for an extended stay. Laundry facilities and housekeeping service make extended stays a pleasure. All units come complete with a fully equipped kitchen, washer and dryer, living room with fireplace, den, dining room, master bedroom with fireplace. Other features include satellite TV, internet access and air conditioning. A very nice feature are the private patios with barbeque grill (ground floors only). Guests of the villas are able to enjoy the amenities of the resort, including room service, concierge service and spa privileges.

In total, there are 51 two and three bedroom Villas and as they are privately owned, they vary greatly in style and age of décor.

The two Hotel restaurants, "Diamondbacks" and "Pinon Grill", provide a scenic lakefront setting. Diamondbacks offers live entertainment on a seasonal basis, serving your favourite cocktail or one of their specialty drinks. The casual, Southwestern decor affords a comfortable setting to enjoy a lighter fare for lunch or dinner, whereas the Pinon Grill offers more formal dining. Our favourite past time is to savour a poolside sunset while you sip their signature Prickly Pear Margarita!

Should you need a respite from your golf, tennis and sailing are readily available and the services staff can arrange horseback riding, desert jeep tours or cowboy cookouts for your group. The hospitality and intimate luxury of this Millennium Resort will assure a winning combination of space and pleasure in authentic Arizona style.
