

JENAFACTS HOTELS 2010 - 2011

RADISSON FT. MCDOWELL RESORT CASINO SCOTTSDALE, ARIZONA

There cannot be many smart new resorts set in 26,000 acres of unspoilt desert, with one of the best 36 Golf courses in Arizona right on the property and nothing but natural beauty for as far as the eye can see.

The Radisson Fort McDowell Resort offers 248 upscale guest rooms and suites in a desert setting. The rooms are modern and good sized and the majority have the Sleep Number Bed by Select Comfort™ with adjustable-firmness mattress. Of course, guests can enjoy not only the onsite Fort McDowell Casino, but also the outstanding, **Jenahura favourite:** We-Ko-Pa Golf Club, which is located adjacent to the hotel. You'll also find a full service spa, a good 24-hour fitness centre and a very cool outdoor desert oasis pool area. The large outdoor heated pool features a picturesque water-fall and two whirlpools set amongst a scenic desert backdrop. Lounge chairs are all around the pool and are perfect for relaxing in the sun. A stone path shaped like the nearby Verde River runs 500 yards from the We-Ko-Pa Golf Club all the way to the huge resort pool, splitting the pool into two sections.

The resort features the Amethyst Day Spa and Boutique Services as well as pretty good dining alternatives. Guests can enjoy fine dining at Ahnala Restaurant which serves a diverse selection of Native American, Mexican and mesquite grilled fare prepared using local ingredients. Many house specialties showcase citrus, pecans and herbs grown locally at the Fort McDowell Yavapai Farm. Good eating alternatives can also be enjoyed poolside with the Ah-ha-qwah-ja (beside the water) Pool Bar/Café. Jenahura often arranges outdoor cowboy Steak BBQs for our groups, which make for a splendid post golf experience.

The resort is not close to downtown, but if you appreciate all the amenities on offer, and the spectacular desert setting, as well as its proximity to one of our favourite golf courses in the U.S., this is an ideal location for a short stay in Scottsdale.
