## THE 4\* XONA RESORT SUITES SCOTTSDALE, ARIZONA

Recently renovated for a tidy \$14 Million (U.S.), the newly named Xona Resort suites is ideal for Jenahura golfers visiting the Scottsdale area on extended stays. Xona boasts very spacious and fully equipped one, two, and four bedroom suites – all upgraded with new furnishings, artwork, and flat-screen televisions.

These are very spacious suites indeed, at 600 sq feet for the one bedroom suites, and 1200 sq feet for the two bedroom. Although the resort also offers simple 1 bed units without kitchen facilities, these are quite small at 300 sq ft and we do not tend to offer these to Jenahura clients.

The Suites have distinctive touches such as spacious living and dining rooms which will make you feel right at home. Resort amenities allow you to unwind in one of four sparkling pools or four rejuvenating whirlpool spas. For wet and wild fun, head to the aptly named Fiesta Pool. For some peace and tranquility, grab your favourite book and sneak off to the Cabana Oasis Pool -- tucked away in a quiet little nook. For more active pursuits, tone up with a workout in the ultra-modern fitness room.

There are four dining and drinking alternatives, including the Asada Desert Grille, the Orange Iguana lounge, or you can order up room service and an in-room movie and dine in the comfort of your suite. The fourth and innovative alternative is to use the online grocery service; stock your in-suite fridge so you can whip up a home-cooked meal.

If you are lucky enough to be combining a business conference and golf getaway, Xona's own resort and conference center is an ideal location with open, airy venues and a business centre offering unrivalled support.
